☐ Check here if this is a new address.

I previously filed an *Application for Retirement Allowance* with the Division of Pensions and Benefits.
I wish to make the following change to that application (check boxes that apply):

☐ **Change Retirement Date** — I wish to change the effective date of my retirement from:
_____ to _____ (may be any first of the
month after the receipt date of the original *Application for Retirement Allowance*).

☐ **Change Retirement Type** — I wish to change the type of my retirement from:
_____ to _____ (to change to a disability
retirement you must complete an *Application for Disability Retirement*).

☐ **Change Option Selection** (PERS & TPAF only) — I wish to change my option selection from:
_____ to _____. I understand that the
beneficiaries named on my original application will remain in force unless I submit a *Designation of
Beneficiary* form along with this application. I understand that once my retirement is due and payable,
no further change in option will be permitted. My signature indicates that I understand that if I choose
the Maximum Allowance, there are no pension benefits payable to my spouse or other beneficiary.

☐ **Cancel Retirement** — I wish to cancel my retirement which was to be effective on
_____. I will continue in
employment. (Canceling your retirement does not guarantee reemployment with your employer.) I
understand that this application cannot be reinstated and that I must file a new *Application for Retirement
Allowance* when I apply for a future retirement date. I further understand that the beneficiaries designated
on my retirement application will remain in effect until I change them by submitting a new *Designation of
Beneficiary* form or a new *Application for Retirement Allowance*.
